*"Planning is bringing the future into the present so that you can do something about it now"* and this was done by a group of people almost a decade ago to make OUR BABA's HOME ("Shri Shirdi Saibaba Temple of Rockies") happen in the rocky mountain region. Now fast forward to 2015, we all as a group are given this opportunity. This is to help make our home debt free and design it the way we all feel comfortable to live in. So come forward and let us design this together.

*Any goal with no plan is just a wish. The goal here is to plan and pay the mortgage by December 2018 with your help. Temple has a loan of \$680,000 approximately as of May 1<sup>st</sup>, 2015 which is financed at 4.11%. This is a payment of \$5239 approximately per month. Please see the chart below for savings:*

*Board has already approved Option 2 and 3 which could not have happened without your support.*

*If we can get additional \$6000 monthly for next 43 months (Starting June 2015) which is presented in Option 4 above, we can pay off the outstanding mortgage by December 2018. You can help us with \$50, \$75, \$100, \$200 or any other donation that will work with in your budget for next 43 months to help our temple achieve this very important milestone. Thanks for making OUR BABA's HOME debt free.*
